**Eric D. Hess,
CFP®, ChFC**

takes a streamlined, academic approach to providing his clients with fee-only counseling that is experienced, objective and unquestionably beneficial. As an inde-

pendent financial advisor with 14 years years serving serious investors, and a dedication to principled and historically sound economic solutions, Eric has long provided financial advice that his clients have cherished. He simply isn't satisfied until seeing the transformation of a client's goals into a personal sense of well-being, and personally manages every account with the help of a CFP® assistant that has nineteen years on the financial frontlines. Call Eric Hess and Alpha Financial Advisors today for individualized expertise you can rely upon.
